

## Leadership Henderson Gives Back to Henderson Animal Center

By Letti Goodrich, City of Henderson Communications & Marketing  
Posted May 29, 2019

Who knew fun games could help raise money? In March 2019, Leadership Henderson (a nonprofit organization within the Henderson Area Chamber of Commerce) hosted a cornhole and washers tournament to raise money benefitting the Henderson Interchurch Ministries (HIM) and Henderson Animal Center.

Roughly 30 teams signed up for each tournament, making a total

of about 60 teams. The event raised \$4,280 after expenses, and was split evenly to give to each organization. Tara Griffith, an administrative assistant at Texas Bank, appreciated the opportunity to be part of this new (and hopefully repeating) event hosted through Leadership Henderson. In her words, it "let everybody be involved [of] all ages". The check to the Henderson Animal Shelter will go towards medical costs and is greatly appreciated by the City of Henderson.
